

Alor

2477SQFT. | 3.5 Bath 4 Beds

The Alor blends comfort and elevated design with an open-concept layout that flows seamlessly from the family room to a spacious kitchen. A versatile main floor flex room offers the perfect space for a home office or private den. Upstairs, a vaulted bonus room creates a bright retreat, while optional features like a butler’s pantry make the Alor a perfect balance of style and function.
